

Music Appreciation Course Pack

Student Information - Spring 2023 - Full Semester Sections

In the **Online Music Appreciation** course for Rowan University, an online **Course Pack** takes the place of a traditional textbook for the **required readings** in the course.

The readings in the Course Pack are organized into **8 Modules** (or sections) that correspond directly with the **8 Modules** found in the online course in Rowan's **Canvas** system.

In each of the **8 Course Modules**, there are two readings that contain 1-to-3 quiz questions ("**Quizlets**") that verify that you've completed the required readings. Together, all of the Quizlet grades count for **8%** of your **Final Grade** in the course.

This Course Pack was designed specifically for use with Rowan's online Music Appreciation course. It was also designed to be less expensive than the leading textbooks on Music Appreciation. This Course Pack is found online at www.coursepack.org and is accessed with a password. The cost of the Music Appreciation Course Pack is **\$30.00**.

To order your course pack, you need to navigate to www.coursepack.org and login to your account. If you enrolled in advance of the beginning of your online course, then an account has already been created for you on the Course Pack website and an email message was sent to your student email address. Check your Rowan student email Inbox for a message from support@coursepack.org that contains your login info for the Course Pack website. If you enrolled after the course began or if you do not find a message, please send a message to the support email address above to request that an account be created for you.

After you login to www.coursepack.org, scroll down on the **Home** page to find the **section** of online Music Appreciation in which you are enrolled. Listed below are the available sections for the Spring 2023 Full Semester sections of your course:
